There are 14 of Cinderella's slippers hidden down New Regent Street in the windows of the stores.

It is your job to find the slippers and tell us where you saw them.

Each slipper has a number that will be visible from the outside, so there is no need to go inside the stores!

This competition runs between the 14th and 29th of November.

You will go in the draw to win a family pass to see the show which will be drawn on the 1st of December.

When you have completed the search, hand this sheet into the Isaac Theatre Royal or to any of the participating stores.
